the European Union

The Action is implemented through the EU Partnership Instrument providing 1.5 million EUR of funding for Action implementation during 2018-2020

5th EU-funded Action on Black Carbon in the Arctic (EUA-BCA) Workshop

16 June 2020, 1245-1730 (CEST)

GoToMeeting Link: (see below)

Introduction:

The workshop will focus on three two main objectives: i) roadmap development and concrete steps proposed to enhance international cooperation on black carbon emissions reduction policies to protect the Arctic; ii) identification of stakeholder/user needs in the roadmap process and draft documents (content and format); and iii) planned activities related to consultation and outreach initiatives in 2020/2021 (Year 3).

AGENDA

1245-1300	Participants Log-In to Remote Connections
1300-1315	Introductions (all remote participants) and objectives of workshop (Simon Wilson and Russel Shearer – AMAP Secretariat)
1315-1345	Presentation on Roadmap Development Process and Item Checklist (Stefan Astrom - IVL)
1345-1500	Open Discussions (and brief presentations as appropriate) with all participants on draft sector-based roadmaps and related initiatives: Emission Reporting, Shipping, Observations and Monitoring, Gas Flaring, Domestic Heating, Open Burning and On- and Off-Road Transport and Diesel use. Participants to provide their feedback and concrete suggestions on relevant black carbon emissions issues which could be considered in the roadmaps.
1500-1515	Health Break

1515-1630	Presentation and Stakeholder Input on Meta-Roadmap and timelines for completion (Mikael Hilden – SYKE)
1630-1730	Stakeholder Consultation and Outreach Plans for 2020/2021 and Wrap-up
